FOUR STYLISH COLOR BLENDS ADDED TO THE DUNIS STUDIOS 4X8 HAND-GLAZED BRICK COLLECTION

BULVERDE, TX (October 1, 2007) - Dunis Studios Hand-Glazed Brick tiles are well-known for their style and versatility; with over 80 standard color choices, custom color matching, and a full accompaniment of trim, it is a tile line that can fit within any design context. A true wire cut "brick" tile body that is suitable for outdoor use, flooring and commercial settings. And the point Dunis customers love the most—A handmade artisan tile that retails for under \$30 a square foot.

Dunis Studios has created, by popular demand, four stunning color blends. Each blend is randomly mixed and packaged ready to install. Or choose your own blend of colors and by request they will be packaged randomly—an out-of-the-box, ready to install custom blend!

All of the Dunis Studios brick colors can be seen on the web: DunisStudios.com
