**MINIMALISM SERIES — A NEW FUSED GLASS
TILE COLLECTION FROM DUNIS STUDIOS**

BULVERDE, TX (January 1, 2008) - Spare, clean and architectural; Dunis Studios new Fused Glass Tile Collection is pure modernism. Designed to be integrated with glass, stone, ceramic or metal field materials, the Minimalism Series is handmade by accomplished glass artists in the U.S.

Hand-cut layers of intensely metallic dichroic glass are fused together in simple linear designs: horizontal parallels, undulating curves, shattered effects and crystallized squares. All are available in several color choices, in 2"x2", 4"x4", 8"x8", 2"x8" and 1"x8" sizes. Custom sizes and designs are also available.

2x8 Ripple - Turquoise

Depending on size, prices are \$30 to \$200. Minimalism Series can be ordered through over 150 national showrooms.

Visit www.DunisStudios.com for dealer list by state or call for more details.
